

Quarterly Service

Dear Homeowner,

Thank you for allowing us this opportunity to introduce our quarterly service available to homeowners.

This service is designed to keep your home free of household pests year round.

The quarterly service includes the following:

1. Thorough inspection and treatment of infested areas of the entire house four times per year (Spring, summer, fall and winter)
2. Treatment of the exterior perimeter of the house three times per year.
3. Rodent control for the home two times per year (fall and winter).

* Terminator will give you a courtesy call to remind you that service is due.*
(missed services will not be performed after the due date)

With the prepaid one year service program you get the regularly scheduled services listed above ,plus four emergency calls at no extra charge (for any targeted pest inside or attached to structure only).

Please contact our offices for our special pricing structure.

The quarterly service includes the control of the following pests:
